REGISTRATIONS & MANUAL STATUS

ISO 9001:2008 & AS 9100 Rev. B Registrar: PRI (Performance Review Institute) Cert. No.: 07-0993 Exp. Date: 6/06/2011
Quality Manual Revision: Orig. Dated: 8/15/2007 Requirements as applicable are flowed down to suppliers

- 1) Test Reports/Certifications, and Batch Sheets are maintained indefinitely by Product Name, and Batch Number.
- 2) Certifications are maintained for Raw Material, and are traceable to manufactured Batches.
- 3) Test Reports/Certifications are supplied for all Batches; however based on specification requirements there may be additional charges, if this should be the case, the customer will be informed, and must approve those charges prior to order acceptances by Everlube Products.
- 4) Please be advised that it is the customer's responsibility to list the specification & revision on their Purchase Order.

Everlube Products hereby attests that the information contained on this document is accurate, and represents the operational and quality status of the organization; revisions will be identified by the date at the bottom of the page.
